

PCM WARRANTY TRANSFER APPLICATION - 2018 BOAT MODEL YEAR

The remainder of the warranty coverage period of the original Pleasurecraft ("PCM") limited warranty is transferable within thirty (30) days of date of sale by the original owner/user to a subsequent purchaser for the remainder of the unused portion of the original warranty coverage period, or the remainder of 1,000 hours of use, whichever first occurs. The original date of sale or original in-service date (whichever comes first) begins the warranty coverage period. For commercial use such as, but not limited to, use of the product by ski schools, for promotional use, for athletes' boats, for rentals, etc., the warranty coverage period starts from the earlier of (1) the date in which the engine is first registered, or (2) within 30 days from the date the boat was manufactured.

Direct Sale by Authorized Pleasurecraft Marine Dealer:

If the sale is conducted through an authorized Pleasurecraft Marine dealer, the dealer must complete and submit the PCM Warranty Transfer Application, the required engine photographs, Diacom recording and warranty transfer fee. The warranty transfer application will be processed based on the approval of PCM. This inspection will be at the seller or purchaser's expense.

Sale by Private Individual / Non-Authorized Dealer:

If the sale is conducted between private individuals, or between a private individual and an unauthorized Pleasurecraft Marine dealer, the engine/drivetrain must be inspected by an authorized Pleasurecraft Marine dealer. This inspection will be at the seller or purchaser's expense. The dealer must complete and submit the Warranty Transfer Application, the required engine photographs, Diacom recording and warranty transfer fee. The warranty transfer will be processed based on the approval of PCM.

The fee for warranty transfer is \$400. The transfer fee (via certified check) and Warranty Transfer Application must be submitted to PCM within 30 days of date of sale to:

Pleasurecraft Engine Group
P.O. Drawer 369
Little Mountain, S.C., 29075

- The new owner will be notified within 10 days of PCM's receipt of the Warranty Transfer Application form regarding whether the transfer has been approved by PCM. If the transfer is approved, the warranty expiration date will be provided.
- A Warranty Registration Card will be issued to the second owner, reflecting the change has been made in PCM's computer.

OUTSIDE THE U.S. AND CANADA, CONTACT YOUR LOCAL PLEASURECRAFT DEALER OR PCM WARRANTY SERVICES AT (803) 345-0050 FOR MORE INFORMATION ON HOW TO APPLY FOR A WARRANTY TRANSFER.

IMPORTANT! PURCHASER NOTICE: The inspection below is designed to insure safety and satisfaction. Therefore, we require the following inspection to be performed at your expense, by an authorized Pleasurecraft technician, prior to purchase. By signing below, the technician certifies that he/she has checked the installation and operation of the engine and finds it to be performing properly. All terms in the Limited Warranty located in the Engine Owner's Manual still apply.
