PARRISH'S WORLD RECORD BEHIND SKI NAUTIQUE 200 APPROVED

ORLANDO, FLA (June 27, 2010) — Today, the International Waterski and Wakeboard Federation (IWWF) announced that they have approved the new Slalom World Record set by Team Nautique skier Chris Parrish behind the revolutionary new Ski Nautique 200.

Parrish participated in a record capable tournament at the Ski Ranch in Covington, Louisiana on June 12th - 13th where he set a new Slalom World Record, 2@43-off. Parrish also became the first slalom skier ever to tie the previous World Record, which he held, twice in one day behind the Ski Nautique 200!

“This is the best feeling in the world! I’ve trained so hard for this record and could not have done this with out the support of Nautique and their extraordinary new Ski Nautique 200,” commented Team Nautique skier, Chris Parrish. “The 200 is the best boat out there hands down with the softness of the wake and lack of spray allowing me more visibility going through the course,” added Parrish.

“All of us on the Nautique team are incredibly excited for Chris. Chris has stated that the new Ski Nautique 200 has taken his skiing to a new level and he proved it by setting a new World Record behind this incredible boat,” stated Nautique President/CEO Bill Yeargin. “The new Ski Nautique 200 was introduced with incredible praise and is definitely living up to its legend with this and numerous other records set behind it this past year,” Yeargin added.
