

WALTER C. MELOON
PRESIDENT (1963-1976)

WALTER O. MELOON
PRESIDENT

RALPH C. MELOON
CHAIRMAN OF THE BOARD

WALTER N. MELOON
VICE PRESIDENT

THE MELOON TRADITION

Walter C. Meloon's legacy lives on. We are proud of our heritage and invite you to become part of our family.

The Ski Nautique 2001 has taken the water ski world by storm. Our engineers accepted a challenge set by all water skiers — "Design a boat that would not only deliver optimum wake characteristics, but improve ride found only in deep V runabouts." This challenge was met and exceeded, making the Ski Nautique 2001 THE preferred ski boat in the world. For 1984, we continue to set the pace.

Our 23' Fish Nautique has become the fisherman's choice, but as with the 2001 they too, wanted more. We proudly present the all-new "SEA NAUTIQUE 2700." Fifty-eight years of boat building know-how and technology were called upon to bring you a fishing boat with only one concern — "Take you to where the big ones roam then bring you home in comfort."

Whether it's a new Ski Nautique 2001, a family runabout, or the all-new twenty-seven footer, you will soon understand the welcome you receive "on the waters of the world."

WALTER N. MELOON
Vice President, General Manager

The Army-Navy "E" Award for high achievement was presented to Conquest Craft May 23, 1945. This esteemed award is in recognition for Conquest Craft's patriotism and their extraordinary work in building boats for the fighting fronts during World War II.

CORRECT CRAFT TRAILERS

Quality craftsmanship and tradition does not stop with the completion of a fine boat. Correct Craft remains one of the few boat manufacturers that own and operate its own trailer manufacturing facility. These rugged trailers are designed and built for our inboard boats. This means you get a custom fit for every Correct Craft model. Proper cradling of your boat eliminates stress and evenly divides the boat's weight over the length of the trailer.

Note (in photos) how effortlessly the family can launch and recover their boat. The full loading equipment allows the boater to drive on and off their trailer. No winch to crank or positioning of boat on trailer while on the ramp. This functional feature along with our center balance design will insure many years of fun boating and easy trailering.

BASS NAUTIQUE

2018

Connect Craft
ON THE WATERS OF THE WORLD SINCE 1925

THE MELOON TRADITION

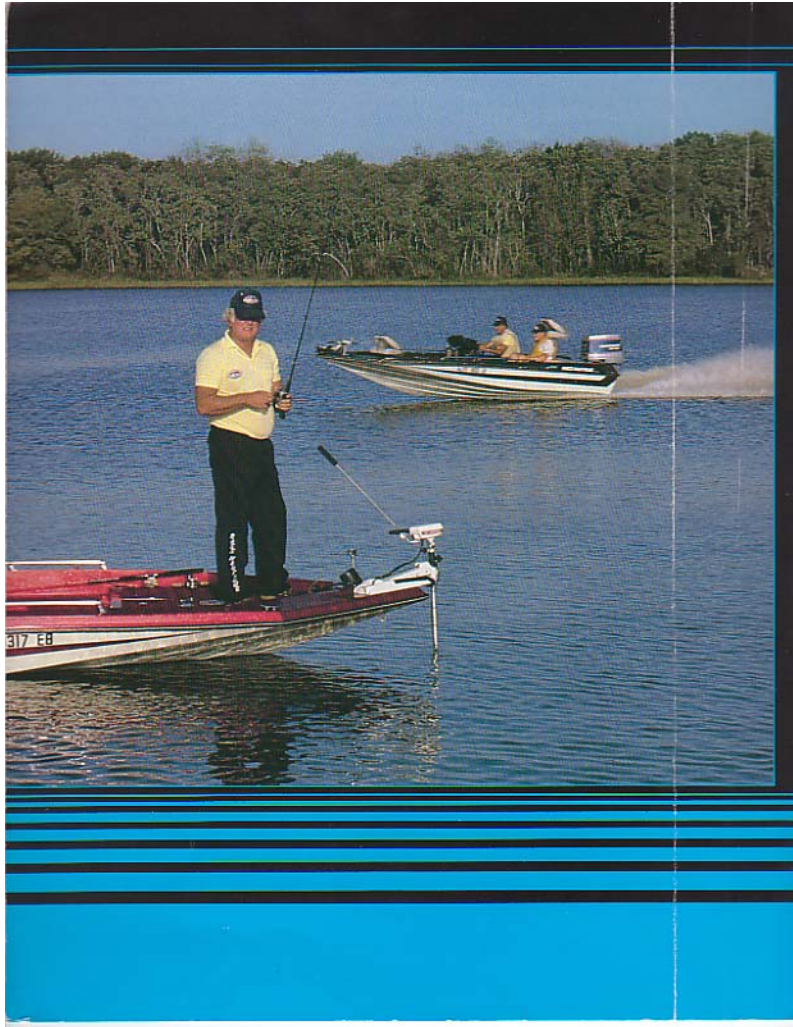

For more than five decades, Correct Craft has set the standard for boat building excellence. Our high quality is a family tradition first established by our founder, Walter C. Meloon. Over the years the Correct Craft family has grown, but our unwavering dedication to superior construction has been maintained as the living legacy of Walter C. Meloon. His dream was "Build a boat that does not compromise in quality or workmanship and dedicate this to the glory of God."

The legacy remains: "As each one has received a special gift, employ it in serving one another as good stewards of the manifold grace of God." 1 Peter 4:10

Correct Craft boats are still built largely by hand. Skilled craftsmen with a sharp eye for detail construct every boat with exceptional care and genuine pride. Our line features a number of different boats — all of which bear the unmistakable stamp of Correct Craft quality.

• Correct Craft appreciates the support in the production of this catalog from Outboard Marine Corporation, Iowance, and Boppy Bait.

DUAL CONSOLE

SINGLE CONSOLE

Compare Our Standard Features
 Correct Craft's BASS NAUTIQUE 2018 follows the tradition set forth by its predecessor the 35 Nautique, in that you, our customer, are presented a complete boating package. We invite you to compare our standard features list with any current bass boat manufacturer and you will agree that BASS NAUTIQUE delivers. For your convenience, we have listed them here:

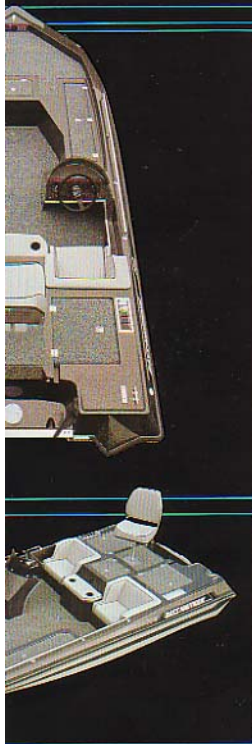

1. Dual cable steering
2. Dry well panel
3. Wraparound driver and passenger seats
4. Ice chest
5. Instrument panel: electric tachometer, voltmeter, speedometer, electric fuel gauge
6. Anodized aluminum handrails
7. Grass or Deluxe carpet as standard option
8. Dual live wells: front — 24 gallons, rear — 19 gallons
9. Forward trolling motor panel with 12/24 volt charge system and battery check

Additional Standard Features

- Bottom of boat has six stage pad for better performance
- Twelve-volt wiring with circuit breakers to trolling motor
- Bow and stern cleats
- Drink holders
- Dual automatic aerator
- Dual map lights/cigarette lighter
- Electric bilge pump
- Electrical system 12 volt fused
- Forward and aft fishing seats with pedestals
- Fresh air ventilation
- Glove box (dual only)
- Four hatches with security locks
- Live well intake screen
- Navigational lighting
- Torsion hull drain
- Windscreen
- Level flotation — Coast Guard and B.I.A. Certified

Bass Nautique 2018
Specifications:
 Length — 17'7"
 Beam — 83"
 Weight — 1,450 lbs. (Single Console)
 1,500 lbs. (Dual Console)
 Fuel capacity — 20 gallons
 Maximum horsepower rating — 150

Options:
 Side seating cushions
 Ski pole
 Electric horn
 Electronic Accessory Pod

Quality Manufacturing

Correct Craft's Bass Nautique 2018 is built by skilled craftsmen that follow standards of excellence as set forth by the world famous Ski Nautique 2001. Each boat is manufactured with precision and is tested to deliver the ultimate in high performance. The Bass Nautique 2018 is a no apology bass boat that goes anywhere the fish hide. So granddaddy bass beware... the legend continues with the Bass Nautique 2018.

Bass Nautique 2018 Trailers

Quality craftsmanship and tradition does not stop with the completion of a Bass Nautique. Correct Craft remains one of the few boat manufacturers that operates its own trailer manufacturing facility. Bass Nautique 2018 trailers are designed especially for the Bass Nautique boat, which means you get a custom fit. Standard features include:

- 4 Bunks, adjustable
- Clearance and tail lights
- Custom wheels
- Deluxe epoxy paint
- Manual winch
- Dolly jack
- Fiberglass fenders
- Pin stripping
- Wiring harness

CORRECT CRAFT LIMITED WARRANTY BASS NAUTIQUE 2018

Correct Craft's warranty is backed by a family tradition of boat building experience since 1925.

ONE (1) YEAR HULL AND DECK WARRANTY:

CORRECT CRAFT, INC. warrants to the original retail purchaser of each new Correct Craft boat that, under normal use, deck and hull shall remain free from structural defect for a period of one (1) year from date of delivery to original retail purchaser.

EXCEPTION: This one year warranty does not cover gel coat, chrome plated, anodized, or aluminum finishes, colorfastness or finishes.

NINETY (90) DAY WARRANTY:

CORRECT CRAFT, INC. warrants that gel coat, chrome plated, anodized or aluminum finishes and colorfastness of any material or finishes will, under normal use, be free of defect for a period of ninety (90) days from date of delivery to original retail purchaser.

ONE (1) YEAR MATERIAL AND WORKMANSHIP WARRANTY:

CORRECT CRAFT, INC. further warrants that material and workmanship will, under normal use, be free of defect for a period of one year from the date of delivery to original retail purchaser.

EXCEPTIONS:

This agreement shall not apply to:

- (1) Any Correct Craft boat which has been used at any time for commercial or racing purposes.
- (2) Damage or malfunction resulting from improper maintenance or unreasonable use.
- (3) Costs incurred for haul-out, launching, towing or storage charges, telephone or rental charges of any type, inconvenience or loss of time or income.
- (4) Defect in windshield or upholstery materials which was discovered at time of delivery to original retail purchaser unless notification is given to CORRECT CRAFT, INC. within ten (10) days thereof.
- (5) Engine, outdrive, controls, propellers, or other equipment or accessories carrying their own individual warranty.
- (6) Installation of engine or accessories installed by other than CORRECT CRAFT, INC.
- (7) Damage to hull or accessories resulting from improper or inadequate handling or cradling of your boat.
- (8) Any boat that has been used as a demonstrator or in a promotional program, (all school or ski show).

Any defect or damage covered by this warranty shall be repaired, free of charge, at CORRECT CRAFT factory, Orlando, Florida or Correct Craft dealer subject to prior authorization from CORRECT CRAFT, INC. Transportation to and from point of repair will be responsibility of owner.

These warranties are expressly made in lieu of all other expressed warranties. Duration of any implied warranty of merchantability or fitness for a particular purpose or otherwise, shall be limited to and coincident to the duration of these expressed warranties. Under no circumstances shall CORRECT CRAFT, INC. be liable to the purchaser or any third party for any loss of profits or other direct or indirect costs, losses, or consequential damages arising out of or as a result of any defect in product heretofore warranted.

Some states do not allow limitations on how long an implied warranty lasts for the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

PROCEDURE:

In the event your CORRECT CRAFT boat has claim covered by this warranty, the following procedure shall be followed to secure performance of any warranty obligations:

- (1) Take boat, as soon as reasonably possible, to the nearest CORRECT CRAFT dealer for inspection and evaluation of damage or defect.
- (2) Upon evaluation of damage or defect, authorization shall be obtained from CORRECT CRAFT, INC., PO Box 13389, Orlando, FL prior to repair or as well as direction as to place of repair.

CORRECT CRAFT, INC. reserves the right to make changes in prices, colors, specifications, equipment, options, materials, hulls, and/or discontinue models at any time without notice, and shall be under no obligation to equip or modify boats built prior to such changes.

Communication for further information necessary in connection with this warranty should be sent to CORRECT CRAFT, INC., PO Box 13389, Orlando FL 32816 (305) 855-4441.
