### **2006 CORRECT CRAFT NAUTIQUE 216**

ORLANDO, FL (August 22, 2005) —Correct Craft, Inc. announces the 2006 Nautique® 216. This boat is all about family fun.

Ski, tube, wakeboard or just work on your tan. There's something for every member of the family. The open bow Nautique 216 Limited Edition is a family boat that combines direct-drive performance with over 21 feet of plush seating, legroom and storage. For example, the rear trunk — big enough to hold a 70 inch slalom ski and is accessible right from the boarding platform. Over the past 80 years, Nautiques have changed in many ways. But some things haven't changed — their leadership, their popularity and their family-friendly design.

The Limited Edition package adds keyless ignition, digital readouts and diagnostics on big displays. For those families with kids who are into wakeboarding, upgrade to the Team Edition package and get a Flight Control Tower® and an added extra 400 pounds of ballast, also standard with a PCM® 5.7 Liter V-8 330hp engine.

Celebrating over 80 years of excellence in the marine industry, Correct Craft is a family owned manufacturer of world-famous waterski, wakeboard, crossover and family recreational boats. Correct Craft, Inc., a Florida-based company, is known for leading the industry in technology and innovative hull designs.
