

## **OFFICIAL TOWBOATS: *Nautiques by Correct Craft*<sup>®</sup>**

### **SKI NAUTIQUE 196: Slalom, Tricks, Jump (Juniors and Masters)**

Precise handling, sleek styling, incredible power and responsive...nothing comes close to the performance of the Ski Nautique<sup>®</sup> 196 by Correct Craft, Inc. This legendary inboard has been meeting the demands of world champions since 1961. The combination of Correct Craft's TSC<sup>3®</sup> Hull and the power of PCM<sup>®</sup> Engines results in a championship run like no other. The TSC<sup>3</sup> hull produces the smallest, softest wakes in the industry without sacrificing the trick table—it's no wonder that more world record performances and personal bests are set behind the Ski Nautique.

### **CROSSOVER NAUTIQUE 236: Wakeboarding (Juniors and Masters)**

The Crossover Nautique<sup>®</sup> 236 is the largest in the Nautique fleet—currently the world's premier tournament wakeboard boat. Its factory-installed ballast system has the capacity to hold an amazing 920 pounds of added weight to create a monstrous, sick wake that is perfect for long-line free riding. There is no question why pro riders love this boat! The Crossover Nautique 236, at full capacity, still has the same impressive smooth pull, responsiveness and out-of-the-hole power as the legendary Ski Nautique.

### **ABOUT CORRECT CRAFT, INC.**

Celebrating more than 80 years of excellence in the marine industry, Correct Craft is one of the world's oldest family-owned manufacturers of luxury water ski, wakeboard and family recreational inboard boats. Correct Craft, Inc. is known for superior quality product, cutting-edge technology and innovative hull designs. Since 1925, it has manufactured everything from motorized toboggans, runabouts, luxury cabin cruisers, offshore fishing boats, bass boats and, of course, the world-famous Nautique water ski and wakeboard boats. Correct Craft currently employs 435 people in its brand new state of the art facility built in 2006.

## **J.D. Power and Associates Award**

### **Correct Craft has been awarded “Highest in Customer Satisfaction with Ski and Wakeboard Boats, Five Times in a Row” by J.D. Power and Associates.**

Correct Craft received the highest numerical score for ski and wakeboard boats in the proprietary J.D. Power and Associates 2002, 2003, 2005, 2006, 2007 Boat Competitive Information Studies<sup>SM</sup>. The 2007 study was based on 12,140 total responses and measures 7 ski and wakeboard brands and owner opinions of 2005 and 2006 model year boats registered June 2005-May 2006. The study includes fiberglass boats with highly specialized designs for waterskiing and wakeboarding, powered by gas inboard engines. The 2007 syndicated study results are based on experiences and perceptions of owners surveyed September-October 2006. Your experiences may vary.
