Orlando, FLA (May 21, 2008) – The Orlando-based manufacturer of the premium Nautique boat line and producer of the 49th Masters Water Ski & Wakeboard Tournament™, Correct Craft, Inc., will offer a live webcast of this prestigious event via masterswaterski.com. This is the fourth consecutive year that Nautiques by Correct Craft will provide its Nautique and Masters enthusiasts with live web coverage of the Masters over Memorial Day weekend, May 23-25.

In 2004, Nautiques by Correct Craft was the premier company in the watersports industry to produce a successful webcast, provided by Jeff Carroll of Watersports Webcasts and Planet Nautique. Last year alone, more than 112,451 unique visitors from 57 countries viewed the 48th Masters web cast. The 2008 Masters live web cast will begin Friday morning at 9:00 am EST with the 16th Junior Masters.

“We are thrilled to partner with Jeff Carroll and Watersports Webcasts for the fourth consecutive year to provide watersports enthusiasts with live web coverage of the prestigious 49th Masters,” stated Correct Craft’s President/CEO Bill Yeargin. “We are confident Watersports Webcasts will produce yet another successful Masters webcast,” added Yeargin.

An invitation to compete in the Masters is universally considered an acknowledgement of achievement for reaching the pinnacle in a given watersports discipline - only the world's most elite athletes compete at the Masters. This tournament is IWSF/USA Water Ski and WWA sanctioned. Prize monies, trophies, rings and special event awards total well over \$135,000.
