**NAUTIQUE INTRODUCES THE BYERLY
ICON EDITION TO THE RETAIL MARKET**

Orlando, FLA (September 9, 2008) – Nautique is proud to announce that it will begin selling the customized Byerly Icon Edition Super Air Nautique 210 boats to the retail public. Nautique will build 73 boats for retail purchase, in honor of Scott Byerly's birth date in 1973.

Byerly's custom-designed Super Air Nautique 210 – Icon Edition is decked out with a variety of features that can only be found on this particular boat. Byerly's very own signature Byerly logo is located throughout this 210 including the teak platform and the windshield header. It also sports detailed pieces in metallic fury red and jet black along with the unique Byerly logo embroidered on the upholstery. This 210 even includes LED cup holders and LED grab rails that illuminate fury red. Additionally, Byerly's personal signature is inlaid on the back of the 210 - Icon Edition in fury red which truly places this boat in an exclusive class all its own.

"I couldn't be happier with the way this boat turned out," commented Scott Byerly. "I am stoked that 73 people will now be able to experience the Byerly Icon Edition for themselves," added Byerly.

Bill Yeargin, Correct Craft's President/CEO stated, "The Byerly Icon Edition is the most customized boat ever introduced to the watersports community. We are thrilled to be able to offer this one-of-a-kind boat model to the retail public."

The Byerly Icon Edition will be featured in Nautique's booth at the 2008 Surf Expo this weekend, September 12-14, in Orlando. For more information regarding the most customized boat in the industry, contact your nearest participating Nautique dealer.

Celebrating 84 years of excellence in the marine industry, the Nautique line of boats is manufactured by Correct Craft, Inc.
