**NAUTIQUE INTRODUCES THE ALL-NEW CROSSOVER
& PROGRESSIVE NEW EQUIPMENT FOR 2009**

Orlando, FLA (September 22, 2008) – Nautique is proud to bring the next generation of the crossover boat to market with the launch of the all-new Crossover Nautique 216V. In addition, Nautique will also bring to market a multitude of new equipment for 2009.

The innovative Crossover Nautique 216V combines edgy automotive styling with the superior wake signatures that have made the Nautique brand legendary. The Crossover 216V is loaded with new features including the transom underwater docking lights, the all-new Nautique smart pod-helm, indigo blue LED illumination in the helm gauges, glove box and hull side pockets, a redesigned stainless steel windshield, and a whole lot more.

For 2009, Nautique introduces a variety of new options to choose from including colored decks and platforms, deck stripes, snap in Crest carpets, improved Polk Audio speakers, amps and an MP3 input connection at the helm. Also new for 2009, Nautique presents the Flight Control Tower 3 (FCT3), the next evolution in the Flight Control Tower series. The FCT3 features easy folding with integrated spinner board racks and 180-degree rotating speakers.

To experience the all-new Crossover Nautique 216V for yourself, visit nautiques.com/boatpages/216v. Also check out the advanced features for 2009 by visiting nautiques.com/boats/newfor09.
