NAUTIQUE ENTERS INTO FIVE-YEAR DEAL WITH MOOMBA MASTERS

ORLANDO, FLA (August 16, 2010) — As part of its continued support for the growth of towed watersports in Australia and around the world, Nautique announced today they have signed a five-year agreement with the Victorian Water Ski Association (VWSA) to be the exclusive official towboat of the Moomba Masters through 2015.

Three-event competitors will ski exclusively behind the legendary Ski Nautique 200 that creates the industry's best wakes and is the current Slalom World Record boat. Wakeboard competitors will ride behind the Super Air Nautique 230, the boat of choice to ride behind by top pros around the world.

"All of us at the VWSA are extremely excited and honored to continue our alliance with Nautique Boats. Moomba Masters is a prestigious event that demands the best towboats in the world which only Nautique can provide," commented Victorian Water Ski Association President and Moomba Masters Tournament Director Darren Robertson. "

"We are extremely excited to continue our longstanding partnership with VWSA and provide the highest quality boats for the Moomba Masters," stated Nautique President/CEO Bill Yeargin. "We look forward to continuing our support in growing and promoting towed water sports in Australia and around the world," Yeargin added.

The Moomba Masters has more than 700,000 spectators annually witness this event over the six-day Moomba Festival in downtown Melbourne, on the majestic Yarra River.
